

DoView Tool A3 - Assessing a Government's Planning, Implementation and Reporting Cycle

A3

DoView Planning.Org

A government has been rated A - E on how well it is doing with each step in the cycle. This government needs to particularly improve 10. Performance Improvement (D), 5. Trade-off Discussions (C), and 9. Report-Back (C) and therefore would be given best-practice information about how other governments undertake those steps.
